

Certificate of Product Approval

Certificate Number: 1000c

Issue: 01

Burton Safes Limited

Units 20 – 28
Brockholes Business Park
Rock Mill Road
Brockholes
Holmfirth
HD9 7BN

is authorised to use the LPCB mark in association with the product(s) listed in this certificate and appendix having complied with the requirements of the standard(s) detailed below:

Product

Talos

secure partition walling system

Standard

LPS 1175: Issue 6

Requirements and testing procedures for the LPCB approval and listing of intruder resistant building components, strongpoints, security enclosures and free-standing barriers

This certificate and appendix is maintained and held in force through regular surveillance activities

Issue: 01

2. The Security Rating attributed to the compatible doorset must be at least that of the wall in which it is to be fitted. For example, a Security Rating 3 doorset shall not be used to form part of a Security Rating 4 wall.
3. Refer to notes contained within the relevant certificate/Red Book entries for these products for details of restrictions on their use.
4. The louvre vents compatible with the Talos panel system fall within the scope of LPCB certificate 516-1a Issue 2. The MAX-AIR XA#-H variant must be used and the Security Rating attributed to the louvre vent must be at least that of the walling system in which it is to be fitted.
