2	Lochrin Bain Limited	Drop-bolt	Drop bolt	N/A	Drop bolt	-

Compatible Padlocks

Padlock Reference	Manufacturer	Model	Type
A	Abloy	PL340	Refer to certificate 1245a
B	Abloy	PL350	Refer to certificate 1245a
C	Squire	SS50S	Refer to certificate 1179a

Notes:

- The gates are compatible with the equivalent height fencing systems covered by the scope listed on 1337m (Issue 01).
- The gates are available in configurations to suit either surface mounting onto hard surfaces or embedding within concrete foundations placed in the ground. It is important to ensure that the local ground onto/into which the gate is installed offers compatible strength.
- The active and passive leaves incorporate a padlockable drop bolt. Those drop bolts do not need to be engaged or padlocked in order to achieve the security rating noted.
- The gates should only be constructed and installed in accordance with the installation guide provided by Lochrin Bain Limited (COMBISR2/INSTALL/DOC1 Revision 1) and Installation Drawings, only using appropriate components supplied by Lochrin Bain Limited.
